We are aware that some distributors have added a fuel levy due to rising fuel costs linked to the conflict in the Middle East. Bidfood is absorbing these very large increases and will hold off introducing any fuel levy for as long as we can, in the hope that prices stabilise. If the conflict continues longer than expected and costs remain high, we may need to review this approach,										

Signature for delivery of these goods has been provided on the POD and denotes acceptance of Invoice No: I69707348.TVL
Payment accepted by CHEQUE/CASH/CC for the value of \$ Signed: Date: / /
